

Walvoil XMH Handle

The XMH handle is an ergonomic middle size handle with soft touch coating for a comfortable hand grip.

WALVOIL S.P.A. — FEBRUARY 4, 2019

WALVOIL

Walvoil introduces its XMH handle.

- Ergonomic middle size handle with soft touch coating for comfortable hand grip
- Symmetric design makes it suitable for both right and left hand applications
- Up to four control elements (thumbwheels, push buttons, rocker switches) can be integrated on operator's side of handle
- Option of FNR switch on opposite side of handle
